Territorial Records Were Broken by Edmond Man.

Guthrie, O. T., May 27 .- About 2.000 people witnessed the inter-collegiate field and track meet here today in which Oklahoma universities won the athletic championship of Okiahoma over the agricultural and mechanical college, of Stillwater, the Central State Normal school, around, of Edmond: the Northwestern Normal school, of Alva, and Kingfisher college. The university secured 49 points, the A. and M. college 47, the Central Normal school 29 and Alva 2.

If, however, the cotton ant can survive a long, dry season and perhaps cold weather in the table lands of Guatemala, it might casthy learn to hibernate in Texas, as has steps into and holds fast with his hands the boll weevil. The ant is much better able to protect itself against frost since it excavates a nest three or more feet into the ground. Several have survived confinement for twelve days without 100 feet of air to the level of the farfood, and seem now to be thriving on a diet of cane juice.
